

Lincoln, Roberts, Markman, Clancy, Haugh, Padula, Pearson, Stanley, Hizer

Intervention Position:

As in the past there was not an interview process for the position. Dave decided that with Mark's qualified background, that this was in the best interest of the students and staff. The timing of the decision was based on the time the Title 1 money came in. This subsequently had a ripple effect in the hiring process for the opening in the classroom. All of the districts displaced teachers had been placed and Dave was given a list to choose from. His decision to hire Stacey for the position was based on the facts she worked in the building last year and knows the curriculum.

Future Intervention Positions:

Any teacher interested in the intervention position next year (2015-2016) needs to show interest to Dave by May 30, 2015. SBPT will then discuss the candidates in case Title 1 funding is approved. The building Principal (Dave) still has final say in who receives the position.

Administrators:

There are 4 admins in the building including Rosa Bellone for special education. She could evaluate Special Ed Teachers but Dave has chosen not to.
