Pop Up in a Park

with WXXI Kids & Monroe County Library System this Summer!

WXXI Kids, Monroe County Library System, and a few of our friends will be visiting a bunch of parks in the region this summer to have fun in our local green spaces. We'd love for you and your kiddos to come see us and enjoy the parks too! Our goal is to get outside, learn about the different ways we can play and explore in a green space, and safely spend time together.

- **Who:** Any family or summer group with kiddos ages 0-12 -- all are welcome!
- **Where:** Parks and green spaces around Monroe County - see back for the full list of park locations and dates.
- **When:** Once a week-ish beginning the week of June 21 through the week of August 9
- **No registration needed and all events are free and open to the public!**
