Who:

260 students from the Rochester City School District
Dr. Carmine Peluso, Superintendent of Schools
Dr. Enkela Paco, Executive Director of Mathematics

What:

24-Challenge Math Competition

When:

Thursday, June 1, 2023, 10:30 a.m.

Where:

Virgil I. Grissom School No. 7
31 Bryan Street
Rochester, NY 14613

Details:

After a long break due to COVID-19, the Districtwide Math Competition, a favorite among elementary students, returns on Thursday, June 1, at School No. 7. Students will showcase their math skills and engage in friendly competition. They have been practicing the 24® Game since the beginning of the school year. The object of the card game is to make the number 24 from four different numbers. Students can add, subtract, multiply, and divide. All four numbers on the card must be used, and each number can only be used once.
