Parent University Kick-Off Event

Who:

Students and families of the Rochester City School District

What:

Parent University Kick-Off Event

When:

Saturday, January 28, 2023, 11 a.m. - 2 p.m.

Where:

East High School
1801 E. Main Street
Rochester, NY 14609

Details:

The Office of Parent Engagement (OPE) is having a kick-off event for its Parent University on Saturday, January 28 starting at 11 a.m. at East High School. Parent University offers a wide range of opportunities for parents. Topics range from child development, parent-child communication, college readiness, and health and financial literacy. In order to better interact with families, Parent University offers a variety of workshops that include virtual platforms and family-centered events.

This event will provide more information on Parent University and will preview OPE's 2023 calendar of events. Students and families will enjoy a community resource fair, a presentation on Parent University by OPE staff, student activities, raffles, music, food, and fun. There will also be a virtual educational presentation from Mr. Michael Herring, President of Personal Safety and Educational Development.

This workshop will provide parents with three powerful tools to discover their children's hidden potential and unique learning styles to help maximize their full potential to succeed in school and life.
