The Rochester City School District is actively seeking talented individuals to fill a range of open positions across the organization. “Get on the Bus” is a recruitment event scheduled for Wednesday, August 7, 2024, at Padilla High School at the Franklin Campus. This event is part of the District’s ongoing efforts to address immediate staffing needs for bus attendants and drivers, paraprofessionals, food service employees, and classroom teachers.

Continuing a commitment to serving a diverse student population, the District is particularly seeking bilingual teachers fluent in Spanish. To support this, the RCSD offers “grow your own” programs that provide valuable resources and guidance for aspiring educators to earn their teaching certification. These initiatives are designed to help future teachers achieve their professional goals while positively impacting the community.
