PBIS Bingo Party

The first PBIS event for the year was a bingo party. There was popcorn and prizes. It looks like the students had a lot of fun!

Two new students

Joshua Wakefield

(on the left)

and

Nasir Moody

(on the right)

They are both in 6th grade and both are in Mr. Burgo's class

Joshua came from a school called Faith Fellowship. He likes math and he likes playing outside with his dog.

He also told us that he likes to collect rocks. He said there is a stream near where he lives and he has catalogued the rocks he found. We have several rock collectors in our school. Mr. Wertz maybe you should start a rock collecting club?

Nasir told us that he came from School #9 and his favorite subject is P.E. He does karate and he is on his black belt-2nd degree. He also likes to lift weights. He said he likes to make friends but it is hard.

THINK

To get an idea of what it is like to show their preferences, students are **voting** for their favorite **book character** in school. Students in grades 3-6 will elect a president and students in grades k-2 will elect the vice president.
