Resolution No. 2018-19: 832

By Member of the Board Commissioner Sheppard

Whereas, by Resolution No. 2013-14: 789, adopted on June 30, 2014, the Board of Education (“the Board”) accepted and approved an initial plan developed by the University of Rochester (“UR”) to serve as the Educational Partnership Organization (“EPO”) pursuant to New York State Education Law § 211-e for East High School (“East”); and

Whereas, on December 22, 2014, the Board submitted a comprehensive intervention plan (“the Plan”) for the UR to serve as the EPO for East to NYSED; and
Whereas, on February 11, 2015, the New York State Education Department (“NYSED”) issued a letter to the Board approving the Plan and the Board’s request to contract with UR to serve as the EPO; and

Whereas, by Resolution No. 2014-15: 457 the Board authorized entering into a contract with UR to serve as the EPO of East for a period of five years, through June 30, 2020; and

Whereas, East has met benchmarks established NYSED and has made significant progress and improvement under the approved plan, including, but not limited to almost doubling the graduation rate, increasing attendance rates by as much as 13%, decreasing out of school suspensions by 95%, and decreasing the drop-out rate by almost half, but remains categorized as a Comprehensive Support and Improvement School by NYSED; and

Whereas, the Board believes that it is in the best interest of the students, staff and Rochester community to continue the progress that has been made under the EPO agreement and to renew the agreement for another five (5) year period; therefore be it

Resolved, that the Board authorizes the District’s General Counsel to enter into negotiations for the renewal of the EPO Contract with the University of Rochester to serve as the Educational Partnership Organization for East High School, for an additional term of up to five years, commencing on July 1, 2020, contingent upon budget appropriations and contingent on the form and terms of the contract having been approved by the State Education Department and the Board; and be it further

Resolved, that the RCSD Superintendent and the EPO Superintendent shall work collaboratively to create a Technical Assistance Center at East for the purposes of facilitating the incorporation of successful strategies implemented by the EPO at East into other Rochester City School District schools at no additional budgeted cost to the District; and be it further

Resolved that, in the event that after the 2023-24 school year, either party wishes to discontinue this partnership, or if the UR is no longer legally eligible to serve as an EPO, the EPO shall create a Transition Plan for East, in collaboration with the RCSD Superintendent, to ensure the transfer of supervision and control of East back under the RCSD Superintendent is accomplished in a manner that best preserves the progress made at East under the EPO allows for continued support of East by UR, if requested by the Board, and is least disruptive to the students; and be it further

Resolved that, the EPO shall promptly forward all progress monitoring reports submitted to NYSED, including, but not limited to written updates on the progress of the school in implementing the activities and strategies contained in the EPO plan and the impact of implementation on student results and the Board shall advise the EPO of any and all processes that it intends to utilize to evaluate the performance of the EPO, which shall be consistent with the plan and the metrics determined by NYSED in its evaluation of the EPO; and be it further

Resolved, that the Board approves submission of the EPO Contract renewal to the New York State Education Department.

Whereas, by Resolution No. 2017-18: 798, adopted on April 26, 2018, the Board authorized the Superintendent to enter into a contract with East Coast Electric, LLC, for renovations to various school facilities on the Districtwide Security Phase VIII project for a total contract price of $1,852,700. Performance under the Contract is guaranteed by a Performance Bond issued by QBE Insurance Corporation; and

Whereas, upon East Coast Electric, LLC defaulting on the Contract, the District called upon QBE Insurance Corporation for completion of performance under the Contract; and

Whereas, pursuant to the fulfillment of its obligation under the Performance Bond, QBE Insurance Corporation has obtained bids for the completion of the Contract. The lowest bid was submitted by Hewitt Young Electric, LLC; and

Whereas, it is the recommendation of the Superintendent and General Counsel that the District enter into a Construction Tender Agreement with QBE Insurance Corporation whereby the remaining work required to complete the Contract will be performed by Hewitt Young Electric, LLC; therefore be it

Resolved, that the Board of Education of the Rochester City School District approves the aforementioned Construction Tender Agreement and hereby authorizes and directs the General Counsel to execute the documents deemed necessary to effectuate same.
