

Resolution 2007-08: 658

By Member of the Board Powell

Resolved that the Board of Education accepts the invitation of the Center for Reform of School Systems to participate in Reform Governance in Action, Cohort 4, which starts in July 2008 and concludes in July 2010. The Board is sufficiently informed about the purpose, goals, and scope of work to commit to the conditions outlined on page two of the application and described throughout the invitation to apply materials. Accordingly, we commit ourselves to full and active participation by all district team members, meeting all deadlines for required deliverables, and the production of high quality work. We commit our best effort. We understand that CRSS can terminate our participation in the program should we fail to keep the commitments in this application.
