Resolution No 2003-04: 885

By Member of the Board Brown

Whereas the Superintendent and the Board of Education have committed funds in the 2003-2004 and 2004-2005 budget to replace the District's outdated Student Information System with a new Student Management System (hereinafter "SMS") for a total cost not to exceed Two Million Nine Hundred Thousand Dollars (\$2,900,000.00), over 3 years; The SMS Project Charter is to implement a new student administrative foundation for the Districts Students(Pre-K – 12), on an open web platform; This implementation will touch all major student processes supporting a child from enrollment through graduation; and

Whereas the Purchasing Department solicited competitive sealed bids to identify a software provider as Phase I of the project; further phases to be defined at a later time;

Whereas Chancery Software Inc. of Burnaby, BC was the bidder who received the most favorable rating based on the District's criteria; Chancery Student Management Solution offers administrators, educators and their support staff the tools they need to easily access, analyze, interpret and report student information. A world class, state-of-the-art student management system that incorporates 20 years of student information system experience yet leverages the most progressive and flexible technologies available today; therefore be it,

Resolved, That the Superintendent of Schools or assigned designee be, and hereby is, authorized to enter into a purchase agreement with Chancery Inc., of Burnaby, BC to provide software for the District's SMS project. Be it further resolved that the software will be delivered for not more than Eight Hundred Fifty Thousand Dollars (\$850,000), funded from cash capital, contingent upon the form and terms of an agreement having been approved by Counsel to the City School District.

Resolution No 2003-04: 886

By Member of the Board Brown

Whereas, there is a State requirement for the Rochester City School District to take formal action for the Phasing-Out of a school, in particular, when the school is in SURR (Schools Under Registration Review) status; and

Whereas, the Rochester City School District has entered a phase in which closing schools is inevitable due to a declining enrollment and fiscal realities; and

Whereas, on May 18, the Board of Education approved the District's budget for 2004-2005 that included a recommendation from the Superintendent of Schools to close Josh Lofton Academy at the end of the school year following an in-depth analysis of all of our school buildings including a study of enrollment trends, building condition, academic performance and financial impact; and

Whereas, the District's phase in/phase out plan – per the requirements proscribed by the State Education Department Deputy Commissioner's Office – must be submitted to the District's Board of Education; therefore be it

Resolved, That, commencing in September 2004, the Rochester Board of Education moves to phase out the current Josh Lofton Academy which serves students 9-12 and authorizes the submission of the Phase Out Plan to the Office of the Deputy Commissioner at the State Education Department.
