Professional Community Commitment Letter

At Francis Parker School #23:

1. We provide every student and adult the skills and resources necessary to become active, self-motivated, and lifelong learners. In doing so, we hope to create a culture of inquiry in which learning is cherished and continuous. In order to accomplish our goals, we will commit to the following.
   - We will design and deliver engaging, exciting and relevant instructions.
   - We will promote creativity, discovery, reflection, and balance.
   - We will foster internal motivation, perseverance, dignity, and integrity.
   - We will cultivate belonging through the development of meaningful and trusting relationships.

2. We will cultivate a school climate where everyone is focused on positive growth and student achievement.
   - We will be thoughtful about our personal appearance, body language, and use of other’s time.
   - We will be prepared to work on a daily basis.
   - We will leave personal issues or problems at the door.
   - We will show respect for ourselves by staying positive.
   - We demonstrate appreciation and encouragement for our colleagues both in the school community and in the community at large.

3. We will promote a spirit of inquiry by asking questions and putting ideas on the table.
   - We will assume positive intent by being mindful of other people’s perspective and using paraphrasing to demonstrate understanding.
   - We will pay attention to our self and others by being respectful when other are talking and sharing the air.

4. Finally, we will create a welcoming and positive environment wherein students, parents and partners are treated with respect.

I understand and agree to the above professional community commitment Francis Parker School #23.
