Erin Coger	Parent	Train teacher to use Zoom	I'm a parent of a RCSD child. I won't be able to attend the meeting as I'll be in class. However my suggestion is train the teachers to use zoom (that's how my classes are conducted) so that the students can stay safely at home. For those with little children leave them on unemployment and let them stay home ti assist with teaching over zoom. Give the students tablets/chromebooks and have spectrum provide hot spot fobs just for those devices. Make it so the devices can't be used to watch Netflix prime etc. It seems far fetched but in my opinion it's a safer option because I'm in the process of removing my son from school to be home schooled because, i refuse to put his life at risk
