What we're working on...

I can't believe we're already at the end of November, and well into Marking Period 2! The 6th grade artists have been hard at work for the past couple months, creating some abstract shape designs inspired by Frank Stella and Sonia Delaunay, as well as delving a little bit into our family's heritage with a class heritage quilt inspired by Faith Ringgold's story quilts. We're finishing up our unit on line and shape, and starting to transition into color, with some spirit animal designs inspired by the Kuna peoples' beautiful Mola designs. Stay tuned for more newsletters after break!
