Executive Director of Early Childhood Education, Robin Hooper represented Resolution No. 2017-18:478 and was available for any questions. She also provided and extensive listing of vendors and addressed the Committee detailing the selection process for the various Community Based Providers. She advised that 21 agencies had applied, and submitted proposals and were marked in the presented rubric. The agencies also conducted a presentation to address questions of quality. Lastly, the facilities were subject to staff visits by the RFP team—over 44 visits were conducted. Tim Schmandt conducted analysis on the rubric and each agency was provided with a final score so that they could be ranked. Dr. Hooper referenced the rubric in the presentation and explained why the 2 agencies (Sunshine Village and Living Waters) with the lowest ranking did not get seats. She noted that their scores were significantly lower than the other agencies. While Sunshine Village has a history with the district and have been listed before in past years, Living Waters was a new option.

Each location had to fulfill certain requirements for a positive rating, some locations were not approved because the quality of the site (i.e. Generations’ St. Michael’s site was old and only had a playground for toddlers and 5-12 year olds and not for year olds, ABC Headstart’s Hudson location’s entrance did not have an easily identifiable entrance).

Dr. Hooper also identified positive sites (for example MCC Childcare’s new site in Henrietta). In response to the testimonials, Commissioner Cruz suggested that the site visit team keep photo documentation of each visit. According to Dr. Hooper, these are currently only done at some sites. She completed her presentation by noting that ABC Headstart received more seats at other sites to offset the Hudson location, which had not been chosen—she explained that for this provider, the program had been identified as positive versus the facilities. Additionally, half the sites for the Community Place were also accepted. The new vendors accepted were Creative Kids and MCC.

**Motion** by Commissioner Cruz to address and approve Resolution No. 2017-18:478. Seconded by Commissioner Powell and President White. **Adopted 3-0 with concurrence of Parent Representative.**
