YONDR Pouches or Envelopes	98% of RTA members want to return to collection instead of YONDR pouches. RTA members will again need to assist with collection at arrival and return at departure. A schedule will be created and communicated after Kyle Crandall finalizes the master schedule. Everyone should plan to participate. Marlene will collect phones from seniors so she can allow those who have permission to go off campus during lunch to have their phones during that time.
Club Approvals	Stipends still have not been paid yet for last year. I was just informed of this and Tammy will look into immediately upon her return Thursday. All paperwork was submitted on time to the RCSD. All stipends were paid out on Friday, August 26, 2022.
Graduation Facts	141/178 in June 84.3% 150/178 in August is 83.7%

Enrollment	Looking to secure 200 kids for each grade level. This will be an increase from previous years. We are being WIDELY requested daily. Marlene is getting requests to review students for admittance everyday.

School Survey Results	Staff, scholars, admin team and UR representatives met over the summer and did a deep dive on the data from the surveys. Many areas stuck out, but the one item that resonated with all of us was that the East brand became tarnished and we need to bring back the basics to get us high flying again. This will be done through changes, consistency with the new changes and former practices that worked, positive celebrations, and increasing student voice. School Safety has also been an area that was requested to be addressed. Survey Results Overview
	Plans: Safety plan implementation above 5-7 Question survey for staff to complete at Thursday's meeting to get staff input on a few items both safety and nonsafety. A plan will be crafted thereafter inclusive of the voice of all constituencies.
