

## GC Meeting Minutes

Date : September 13, 2022

Present Members:	Marlene Blocker	Sarah Collins	Jodi Cook		Ed Mascadri	Kristine Price	Chris Slifka
Dr. Chris Spence	Rosemary Wilson	Tim Wilson	Agron-Baker				

Agenda Item	Notes
School Safety	New visitor policy has been very effective in reducing chaos in the front office. Some parents do not agree with the policy, but Blocker explained it is for the safety of all.
Open House	September 22 <sup>nd</sup> + Neighborhood Night We will gather by department in the cafeteria for Open House. Please bring materials & creative artifacts to put on your table by department. Please make a plan for this during CPTs. Bring course syllabus information to share with parents.  Neighborhood night will occur outside the Collaboratorium or outside the Cafeteria
Cell Phones	Collection has gone great thus far. Only one phone has been confiscated during the day and the parent was required to come in to collect it and have a conversation with admin.  Morning collection is smooth and afternoon return has increased in speed. All students are getting their phones returned within 7-10 minutes of dismissal. <b>Please do not allow any students to leave your classroom before the bell. Cell phones will not be handed back until the bell has rung.</b>  Please remember to let Kristine Price know if you will need a sub if you will not be at collection or return and are scheduled to assist with 1 <sup>st</sup> marking period with as much notice as possible.
Club Approvals	Ms. Blocker will send out our internal guidance documents for afterschool clubs and activities so that clubs can get started. Please let her know if you want to begin having your club meet. We want these to get started so kids get engaged immediately. However, we have not yet received the documents from RCSD for SAF funding. So, as soon as we get those, we will forward them to advisors. Please remember to take attendance every time you meet and have students sign their name. Also, be sure to take and submit meeting minutes each time you meet. These documents should be shared with Tammy Tuttobene at minimum each month.  Anime Club, Improv Club, and Ms. Cook's club are approved to begin.
Shortened Schedule in Bulletin	Kyle shaved off roughly 10 minutes from each class to create an assembly schedule we can use all year. It was shared in the bulletin. We will use this schedule for the first time on Friday, 9/16 for our pep rally day. This schedule was officially approved by Governance Council for event days throughout the year.

<b>Dance</b>	<p>Ms. Blocker would like to have some school dances this year using the event schedule approved above. The first dance will take place towards the end of October following the final football game of the season for grades 10-12 only. Please let Ms. Blocker if you are interested in helping to plan and execute dances this year. We need volunteers to make this happen. We also want to have a place for those students who do not want to participate in a dance.</p>																
<b>East Events Calendar</b>	<p><a href="#">East Calendar of Events Link</a></p> <p>Please bookmark this link so you know when events are happening at East this year. Ms. Blocker is continually adding to this calendar of events. Please let her know if you are having an event and want her to add it to the calendar.</p> <p>We will ask Zurlo how we could link this to our google calendars as well.</p>																
<b>Eagle Day and SEL days</b>	<p>Dan Hart will be sharing a proposal with GC for Eagle Day at the end of the year and creating SEL days for students on half days throughout this year. He will attend the next GC meeting on 10/11 to seek feedback and answer questions about the proposal. Kristine Price will seek data on how staff feel about making half days SEL days for students. If we were to do so, RTA staff would have to be willing to host various sessions for students similar to how staff did on Eagle Day. Please be sure to respond to the google form Kristine sends out so your voice is heard.</p>																
<b>Food Deliveries during Lunch for Students</b>	<p>GC decided that parents may deliver food during lunch for their individual student. Some students may have a special diet and the cafeteria food may not meet their needs. However, parents may not bring food for other students, only their own child. And all delivery services will not be allowed. Food ordered by students will not be accepted at exit 28 at any time during the school day. Seniors were also told at their Town Hall meeting that they are not to buy food for other students if/when they go off campus for lunch.</p> <p>LS follows the same policy as US regarding food deliveries for students during lunch.</p>
