

Maraca

Maraca

Student-created song, revised by M. Speranza

Tune – Jump Up and Down

Building Blocks CD#4, Track 53

*At the Pre-K level, it is wise to allow children to use just **ONE** maraca rather than a pair so there is less chance of hitting them together. They may often need to hear the adult reminder that “maracas are shakers, not tappers!” Keep this song card near the maracas so that children have a visual cue. This song will help them remember not to tap a maraca against anything – it only touches the AIR!*

COR Advantage: J – Fine Motor Skills, Y – Music, Z - Movement

Maraca, maraca, touches the air,

Only the air, only the air.

Maraca, maraca, touches the air!

We must take care!
