Minutes Approval	Brown/Casey
Problem of Practice	Report Card/Grade Book/Grading
Discussion	<p>Rob shared the process middle school will begin to use this year and carry on into next year – teachers will write their own curriculum and assessments, identifying the standards and learning targets that will focus the units/lessons and those will be measured and reported on the report cards.</p> <p>Jen Brown shared Unit 1 assessment at Gr. 2.</p> <p>The challenge continues to be how do we work with or change the report card we have to better align with the UOS, assessments and the rubric for reporting grades so there is a clear understanding of what is being taught/measured, how it is being measured and a common understanding of the performance level expectations.</p>
CEP Plan/State Review	<p>Rhonda shared a checklist that contains all the areas that will be a focus of the state review. She asked that SBPT reps share with targeted grade levels impressing upon staff the need to be prepared to speak to the different areas of focus.</p> <p>She asked teachers to update bulletin boards and the importance of displaying student work.</p>
2019-2020 Instructional Priorities	<ol style="list-style-type: none"><li>1. Written response/Use of 2 pt. rubric and a common strategy-RADD?</li><li>2. Math problem solving using a common strategy – RDW?</li><li>3. Social emotional learning?</li></ol> <p>Becky shared information about Nurtured Heart strategy for how to respond to students. She also initiated a discussion about hosting morning meetings in classrooms starting in the 2019-2020 sy. as a method for building community, etc.</p>
