What is **NATIONALISM**?

And then what's the  
difference between a  
**nation** and an **empire**?

A **nation** is a large collection of  
people \_\_\_\_\_

\_\_\_\_\_,  
inhabiting a particular country or  
territory: and an **empire** is \_\_\_\_\_

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_.

OK - Now I get why  
**Nationalism** holds  
**NATIONS** \_\_\_\_\_  
while it tears **EMPIRES**  
\_\_\_\_\_!

Do you?
