Note From Mrs. Little

Dear Parents and Guardians,

I am excited about this school year and seeing your child grow as a learner. I want you to know that I am available to you and your child, if you have any concerns or would like to know about the progress he/she is making. The best way to reach me is by cell (585) 287-4563 or you can call the school and dial x2160. I look forward to working with you to ensure your child’s academic success.

Sincerely,

Mrs. Little

Math

This month, we are learning about Place Value. Students need to know the value of digits into the million’s place. Students are learning how to order and compare numbers (>,-,=). In math, students are learning about the three ways to write a number, standard form, written and expanded form. Students can bring their source books home to study for the upcoming test.

Math at home. Please practice multiplication facts daily.

Reading/ Writing/ Social Studies

In our ELA Block, we have begun Daily Café. Students are learning comprehension, accuracy, fluency and expand vocabulary reading strategies. In common core, we are learning about the Iroquois and how to close read (annotate a text, discuss text, summarize, paragraph building, etc.) In Writing, students are working on their personal narrative pieces, All About Me. Students will present themselves to the class with a PowerPoint presentation.

Social Studies/ Science

This month in Science we are learning about plants. We learned about how plants reproduce, their life cycle, the stages of growth and how they are essential in our world. A study guide will be sent home. Please have your child study for the test, which will be on Friday October 4th.

Classroom Management/ Fun Fridays

In order to attend Fun Friday, students must bring in their Fun Friday Ticket (homework) and maintain green (good) behavior all week. In our classroom, we have a color chart. All students begin their day on green. The color changes based on their behavior.

Green- good behavior
Blue- Displays leadership qualities
Yellow - warning (needs to show improvement. If child’s behavior improves, they can turn back to green.
Red- phone call home. No Fun Friday

Fun Friday: Iroquois pots, plants, and campfire

Birthdays

September 6- Khamiah
October 7- Aiyana
October 30- Zadae
