Play works

This discussion was tabled. The monitoring tool has not been sent to us to review.

Revised Pillars Professional Development

This professional development was denied. It does not meet the criteria from the district. In addition, all the information is not recorded on the required form.

New Business

LLI

DRA's will not be mandatory for grades 1-6 for this cycle. Data meetings will be held to discuss students. All IDL's need to be up to date by February 25, 2019. All stakeholders will participate in meetings to determine student movement. More information to follow regarding meetings.

Summer Enrichment

One of our parents shared with Principal Roberts about a program that she would like to implement at our school in the summer. This program involves working with students who have behavior concerns and they also work on academics. Principal Roberts will reach out to receive more information about the program. Once we have more details they will be shared with the SBPT and staff. This was approved by SBPT 8/8 votes.

Saturday School

A proposal has come to SBPT about a possible Saturday school that a parent would run to help students prepare for the NYS exams. This was approved by SBPT 8/8 votes.

Receivership

Principal Roberts reviewed the roles of CET and SBPT. CET will use the recommendations to develop plan. CET works on recommendations and SBPT works on approving the plan. Superintendent makes the final decision.
