Agenda:

MTSS Schedules

Currently the ELA teacher only teaches intervention to one group while the Math teacher needs to teach reading MTSS, and two Math intervention groups. An idea discussed was to have the ELA teacher also take a MTSS math group. At this time, we will keep MTSS as usual and revisit. We also discussed different ways to incorporate science and social studies.

Events Schedule

We reviewed the event schedule. A few alignments to the form need correction.

The team approved the schedule with 9/9 vote.

Data Wise

The SBPT approved the school wide academic culture commitment with a 9/9 vote.

MTSS Math

A discussion was held to use M-Comp within the first 2 weeks of school to gather data to form groups along with iReady. However, iReady forms groups and the district plan is to use iReady groups that are formulated. At this time the team has not agreed to use M-Comp.
