Close Reader

The Close Reader is a work text for students to practice and apply the strategies of analyzing and annotating text. Lessons include connected text from the Student Book, guidance on what to analyze and annotate, prompts to read and reread for a purpose, and the opportunity to write to the source using text evidence. The Close Reader Teacher's Guide provides a Text Complexity Rubric, strategies for annotation, and answers for each lesson.

Writing Handbook

The Common Core Writing Handbook consists of 30 writing lessons tied to the weekly writing lessons taught in *Journeys*. These interactive writing lessons provide information and practice on all three types of Common Core writing types: opinion, informative/explanatory, and narrative. The handbook serves as an important resource for students, providing additional information on writing traits and the writing process, as well as research tips and rubrics.
