Future Organization & Management of SBPT Lesson Planning	• Teacher-led • Results-oriented • Problem of Practice Example: Expectation for Lesson Planning; if lesson plans are not available when an attempt is made to review them, there would be the option of asking that teacher to submit weekly lesson plans. Rob shares the google folder he has set up for teachers to submit lesson plans, artifacts, resources, etc. Considerations for SBPT teacher unit work: Teachers work to decide what the non-negotiables are for each lesson plan: • Whole group plans • Small group plans • Resources Using google to "house" the plans, etc. Representative from each House-will work with their team to discuss lesson planning. Get information to your House Administrator Timeline: By the October SBPT we will have a template for each House.

Professional Development Incentive	Snyder Collegial Circle-Rob will send to Kim. New teacher monthly meetings to share with them such things as APPR, Trauma-informed Instruction, etc. • Initial Approval given Mannella Book Group-working on the proposal
Title I-Engert	Title 1 Budget allocation $4,300.00 for breakfasts, PTO meetings, office supplies, etc. Approved by SBPT on 9/24/18 Parent Compact will be added to the school's website.
ELT Conversation-Jaffarian & Williams	• Need to be off Receivership • Need to consider transportation • Need to consider start and end time • How can you ensure academics won't decline • How would you maintain a focus on leadership • What would it mean for maintaining administrative staffing
House System	How is it going? Feedback from staff is that it is nice to know who to go to.
