What we're working on...

Welcome to 6th grade art! This is the first of our monthly newsletters, which starting in October will be sent home with grade reports to be signed and returned to me! The goal of these newsletters is to communicate what is happening throughout the year in the art room.

Our first project will be an overview of the Elements of Art. For the first month of school, we will be developing understandings of art vocabulary that we will be doing all year.

We will also be spending time focusing on classroom procedures and routines, so that the rest of the year can go smoothly and everybody can focus on making some awesome artwork!

Artsonia:

Artsonia is an online art gallery for student work. This will be a way for you to see the work your scholar is completing throughout the year! Please follow the instructions on the attached slip to give permission for the artwork to be made visible. **Artsonia will never display a student's last name; only their first name and a randomly assigned number.**
