

## Week 3 - Speech and Language

	Monday	Tuesday	Wednesday	Thursday	Friday
Articulation	Can you use the phone? Get permission to call a family member to teach them exactly how to make your speech sound!	Write your own song containing your speech sound! Silly or serious, you decide. When you've finished your song, sing it for someone in your house.	Pretend you're going on a trip. What are 5 things you will bring that start with or contain your speech sound.	Do you own shaving cream? Ask an adult to spray some on a baking sheet. Draw 5 words in the shaving cream that contain your speech sound!	Draw your favorite animal. Pretend to feed him 5 things that contain your speech sound.
Language	Describe how spring and winter are different.	Follow directions to set the table for dinner.	What do people do on April Fool's Day?	Joke Time: What goes up when the rain goes down?  A: Umbrellas!  Talk about why this joke makes sense.	Name and describe three animals that you would see on a farm but not at the zoo.
Core Word of the Week: Need	Pick a game to play outside. Talk about what you need before heading out (eg., a coat, shoes, ball, etc.).	Go Fish! Play Go Fish, and talk about the cards that you need.	Help make a meal! Talk about the food and utensils that you need to use.	Read "If You Take a Mouse to School" or watch a video of the book on YouTube. Stop reading to after each page to talk about what the mouse needs.	Play a game or with a toy that has quite a few parts. Talk about what you parts you need.
