Current Event Article Review-Due Weekly (Friday before class)

Choose an article or news story from or about another country. 1. Summarize the article, 2. State the major issue or problem and 3. Discuss how it relates to World History themes and concepts. You may use articles from the newspaper or magazines, TV or radio news, or websites. Website suggestions include BBC.com, CNN.com, Newspapers.com, or if you would like to listen to the news story and read the transcript, try NPR.org (National Public Radio).

Article Title: _____

Publication/Source and Date: _____

Country Discussed: _____

Geographic Region: _____

You must write at least three paragraphs:

Paragraph 1: What was the article about? Write a short, 3-5 sentence paragraph summarizing the article. Be sure to include the Who, What, When, Where, Why, and How.

Paragraph 2: What is the issue/problem involved? What might have caused this problem, and what impact might it have in the country, region, or world? How does this relate to World History themes and historical events we are studying or have studied in our class?

Paragraph 3: What is the Point of View of this article? Why do you think the author emphasized certain facts over others? What is the tone—how is the author relating the facts?
