Justification: Staff was needed to score Regents Examinations in United States History & Government and Global History and Geography. Staff was asked to work outside of the school day in order to avoid removing teachers from the normal teaching duties during school hours. The scoring process is a state-mandated necessity that was completed before January 28 in order to ensure a smooth start to the new academic semester.

WHEREAS, The Superintendent of Schools has established a budget process for the Rochester City School District (the "District") to meet the overall goals and objectives agreed upon by the Board of Education (the "Board") in exercising its fiduciary responsibility, oversight and authority over the resources and services of the District; therefore be it

RESOLVED, That the format of the annual budget for fiscal year 2013-2014 and years forward be prepared in a manner to increase transparency by presenting (a) the actual salary or wage rate for each position of employment within the District, including positions within the Superintendent's Employee Group, (b) a figure representing the annual total compensation value for all positions in the Superintendent's Employee Group for the upcoming fiscal year, and (c) a listing of all positions in the Superintendent's Employee Group that are included in the budget for the upcoming fiscal year; and

Resolution No 2012-13: 479

By Member of the Board Vice President White

WHEREAS, The "Rules and Regulations of the Board of Education Relating to the Superintendent's Employee Group" was amended by Resolution No. 2012-13: 46 on July 26, 2012, the full text of which is on file with the Clerk of the Board; and

WHEREAS, The Board of Education recognizes the Superintendent's authority in selecting employees eligible for membership in the Superintendent's Employee Group consistent with Section 2554 of the New York Education Law; and

WHEREAS, The Board of Education also recognizes their fiduciary responsibility, oversight and authority over the resources and services of the District including the total compensation provided to those employees the Superintendent has authority to appoint pursuant to the statute and rules and regulations referenced above; therefore be it

RESOLVED, That the Board of Education hereby amends Section 6 of the Rules and Regulations of the Board of Education Relating to the Superintendent's Employee Group to read as follows:

6. Appointment to Position

Each employee shall be appointed to his or her position and title by the Superintendent in writing as of a specific date; the Superintendent's letter of appointment shall be countersigned indicating acceptance by the employee; provided, however, that, upon approval by the Board of Education, employees who report directly to the Superintendent, in place of or in addition to such letter, may be given an individualized contract of employment for a period not to exceed three (3) years, subject to renewal with the approval of the Board, in which in addition to the benefits provided by this section, the compensation may (but need not) include other terms or benefits which additional terms may (but need not) include a provision that annual Employer contributions may be made in an amount determined by the Superintendent to an account established for the employee under the District's §403(b) discretionary governmental plan maintained pursuant to Section 7, below, subject to any rules and restrictions imposed by federal law and regulations and the rules of the plan; if the Superintendent so desires, he may present to the Board the terms

of any such individualized contract without identifying the individual to be hired, and the Board shall determine whether to approve the contract on the basis of the contract terms and not on the basis of the identity of the person to be hired. Each employee shall be paid an annual salary initially established by the Superintendent in the letter of appointment or individual contract, and adjusted thereafter by the Superintendent in accordance with the provisions of these Rules and Regulations. Salaries shall be paid in twenty-six (26) equal bi-weekly installments, regardless of an employee's bi-weekly attendance. Adjustments to salaries shall be made on the basis of reported absences and the reason(s) therefor. All employees shall hold their positions and continue in their employment at the pleasure of the Superintendent.

BE IT FURTHER RESOLVED, That the Board of Education hereby amends sub-section C of Section 7 of the Rules and Regulations of the Board of Education Relating to the Superintendent's Employee Group to read as follows:

C. The Superintendent is authorized to create and maintain a discretionary plan pursuant to § 403(b) of the Internal Revenue Code for the exclusive benefit of those employees who are (i) direct appointees of the Superintendent, (ii) granted individual employment contracts which provide for their participation in such plan, and (iii) report directly to the Superintendent. As a term of an individual contract of employment of such direct reports, the Superintendent may, subject to approval by the Board pursuant to Section 6, above, provide that the District will make an Employer Nonelective Contribution to an account maintained for such employee under such plan, and may determine the amount of such employer contribution, not to exceed the amounts, or the percentage of base salary, permissible for such employee under federal law and regulations and the terms of the applicable plan. Such amount shall be specified in the contract of employment. The employee shall at all times have a fully (100%) vested interest in the contributions made on his or her behalf. The Superintendent is hereby authorized to take such steps as may be necessary to adopt one or more discretionary § 403(b) plans to provide said benefit in a manner consistent with federal law and regulations as they may be established or amended from time to time; and to administer such plan directly, or through a designee or contractor.

BE IT FURTHER RESOLVED, That the Board of Education's expectation is that there be an open and collaborative discussion directly between the Superintendent and the Board regarding potential hires for the Superintendent's Employee Group in an effort to resolve any concerns that the Board of Education may have before the Superintendent exercises his authority to hire an individual pursuant to the statute and rules and regulations referenced above.
