Resolution No 2009-10: 962

By Member of the Board Commissioner White

WHEREAS, the Rochester City School District is submitting, for approval, to the New York State Education Department Office of Facilities Planning capital improvement projects for various schools throughout the District, and

WHEREAS, SEQRA is an acronym for State Environmental Quality Review Act, enacted in 1975 to document environmental impact of public work projects and develop plans to mitigate any negative impact. The Act was amended in November 2000 and effective September 1, 2001, the State Education Department transferred the role of lead agent for public school construction projects to the local school district. SED requires, prior to the issuance of a building permit, the Board of Education of the local school district to acknowledge, by resolution, that the requirements of SEQRA have been met, and

WHEREAS, a construction project can be classified into one of three categories: Type I

- action will likely have a significant impact on the environment and may require a draft, as well as a Final Environmental Impact Statement; Type II - action acknowledges that no sensitive environmental areas are affected, such as wetlands, agricultural districts or coastal areas; and the third category is Unlisted Action/Negative Declaration which is limited to minor interior renovations.

WHEREAS, final determination of a Type II Action includes, in addition to the above requirements, acknowledgement on the Project Description Form (submitted to SED) that no sensitive environmental areas are affected, and

WHEREAS, the Rochester City School District, in compliance with the SEQRA, has as lead agent determined that all capital improvement projects that are submitted to SED for approval and scheduled to be undertaken in 2011 (listed below) are routine in nature (Type II) and require no further review, therefore be it

RESOLVED, that it is the final determination of the Board of Education that these projects planned for 2010-11 constitute renovation work in connection with security system upgrades and are consistent with a Type II Action, not subject to review under the SEQRA.

These projects include the following:

Resolution No 2009-10: 1020

By Member of the Board Vice President Campos

Whereas, the provisions of Education Law Section 4402 and Commissioner of Education Regulations Section 200.3 require Boards of Education to appoint a committee on Special Education and Committee on Preschool Special Education to review and evaluate all relevant information pertaining to the education and placement of children with disabilities; and

Whereas, the Rochester City School District has had a functioning Committee on Special Education and Preschool Special Education to achieve the responsibilities; therefore be it

Resolved, that the following named person be and hereby is appointed, in addition to those previously approved, effective July 1, 2010 as a member of the Rochester City School District Committee on Special Education in accordance with the provisions of Education Law Section 4402, to serve as needed.
