Resolution No 2006-07: 822

By Member of the Board Thompson

WHEREAS, The Rochester City School District is submitting, for approval, to the New York State Education Department Office of Facilities Planning capital improvement projects for various schools throughout the District.

WHEREAS, The Rochester City School District, in compliance with the **State Environmental Quality Review (SEQR)** Act has, as lead agent, determined that all capital improvement projects that are submitted to SED for approval and scheduled to be undertaken in 2007 are routine in nature (Type II) and require no further review, therefore be it

RESOLVED, That it is the final determination of the Board of Education that these projects planned for 2006-07 constitute renovation work and are consistent with a Type II Action, not subject to review under the SEQRA.

These projects include the following:

Resolution No 2006-07: 823**By Member of the Board Thompson**

WHEREAS, Projects for the two phases of the Energy Performance Contract (EPC) for the Rochester City School District originally had budgets submitted to the State Education Department (SED) by the Project Management Company labeled “Borrowing” on Form SA-139, and

WHEREAS, The SED has revised the SA-139 Form to include “Energy Performance Contract” as a funding source, and requires budgets for Energy Performance Contracts to be reported separately from borrowed funds, and

WHEREAS, The budgets of the individual projects within the Energy Performance Contract (Phases 1 & 2) have changed during the course of the projects, and

WHEREAS, Four non-EPC projects have been closed out with Final Building Project Reports prepared to be sent to SED (2 of which require FP-FI Forms to report funding changes – all other FP-FI Forms are for the EPC Projects), therefore be it

RESOLVED, That in accordance with the provisions of New York State Education Law Section 3602 relating to building aid reimbursement, the Board of Education approves the following changes of expenditures, together with final expenditures where applicable, and directs that a Request for Revision of Financial Information Form (FP-FI) and, where appropriate, a Final Building Project Report (FBPR) be submitted to the State Education Department.
