**By Member of the Board Evans**

WHEREAS, In May 2005, the District entered into a community wide partnership as part of an application to the United States Environmental Protection Agency (EPA) for a Community Action for a Renewed Environment (CARE) grant, and

WHEREAS, In September of 2005, EPA awarded \$303,000 to the Rochester CARE grant application, with \$66,500 of that award earmarked for the District. The Rochester community was one of only 11 recipients chosen out of a field of 132 applicants nationwide. The CARE application represents a collaboration between the District and community partners including; the Center for Environmental Information, Action for a Better Community, The City of Rochester, The University of Rochester, the Rochester Green Business Network, NeighborWorks Rochester, and the Coalition to Prevent Lead Poisoning, and

WHEREAS, The District's portion of the grant will go towards reducing diesel particulate air pollution (which has been shown to be a significant contributor to instances of asthma in urban youth) by the installation of diesel oxidation catalyst mufflers to diesel fueled trucks and other non-bus vehicles in the District's fleet. Additionally, the District intends to provide, as a condition of the grant, an educational message to the community using student artwork from an exhibit previously displayed at a Board of Education meeting, and

WHEREAS, The District has identified more than one vendor capable of supplying these pollution-reducing devices from both the New York State and the Monroe County Approved

Vendor Lists, and the District's intention is to use a local and/or MWBE vendor from those lists to supply these devices, and

FURTHERMORE, it is the terms of the EPA's CARE grant agreement that the \$66,500 be expended by the close of the grant at the end of September 2007, therefore be it

RESOLVED that the Superintendent of Schools or his designee be, and hereby is, authorized to enter into an Agreement with a New York State or Monroe County approved Vendor for an amount not to exceed Sixty Three Thousand Dollars (\$63,000), funded by the United States Environmental Protection's Community Action for a Renewed Environment Grant, as awarded to the District, with the balance of the grant (\$3,500) to be used for the educational messages on District vehicles.
