**Description:** Curriculum Development ELA/MATH 8- Global Media Arts High School is a project based learning community where teachers as a team provide students with activities that address the NYS Standards. For our 8<sup>th</sup> graders, we are addressing the ELA 8 & Math 8 Standards with projects and activities specifically prepared by a team of teachers, rather than just one individual. These activities go beyond recall and rote learning. The team addresses each learning style of our 8<sup>th</sup> graders to enable them to meet the challenges required to succeed on both Standardized tests. These activities and projects are reinforced in small groups on Saturday.

**Ratifying Collective Bargaining Agreement with  
The Rochester Teachers Association**

**By Member of the Board**

**Whereas**, the negotiators representing the Superintendent of Schools and the Rochester Teachers Association (RTA) have met and concluded a tentative collective bargaining agreement for the period July 1, 2006 through June 30, 2009; and

**Whereas**, the Superintendent of Schools and the membership of RTA have ratified the tentative agreement; **now therefore**, be it

**Resolved**, that pursuant to the provisions of Civil Service Law sections 201 and 204-a, the Board of Education approves the tentative agreement including the following economic provisions:

1. An agreement to participate in an experience-rated health insurance plan, if an independent analysis indicates savings to the District, no change in comparable benefits, and if other unions agree to participate.
2. An agreement to modify the current teacher transfer provision of the contract to enable the District to have needed flexibility in competitively hiring teachers.
3. An agreement to modify the current assault pay provision of the contract to make the definition of assault consistent with the New York State Penal Law and limit claims that are not warranted.
4. Teachers who are receiving assault pay benefits and are employed outside the District will have their benefits reduced by the amount of earnings from outside employment.
5. An agreement that teachers who are currently receiving assault pay benefits and who are currently eligible to retire will lose the benefit at the end of the 2006-2007 school year. Prospectively, teachers will be removed from assault pay benefits upon reaching the third semester following eligibility for full retirement.
6. A salary increase of 4.39% for the 2006-2007 school year; and a minimum of 4.39% for the 2007-2008 and 2008-2009 school years, based on the salary benchmarking process.
7. Retirement Incentive in the amount of \$25,000 for teachers eligible to retire at the end of 2005-2006, provided that teachers notify the District of their intent prior to March 1, 2006.
8. An increase of 5 work days for Library Media Specialists and School Counselors until June 30, and an additional 5 days prior to the first reporting day for teachers for the Library Media Specialists, which will directly benefit schools and students.

9. A reduction in the assignment of teaching periods for music teachers to 25 per week from 30.
10. A reduction in the assignment of teaching periods for secondary school teachers of Health and Physical Education to 25 per week from 28.
11. An addition to the Recognition Clause of the contract to include the following job titles in the Rochester Pre-School Parent Program: teacher; parent group leader; and peer consultant.

**Ratifying Collective Bargaining Agreement with  
The Association of Supervisors and Administrators of Rochester**

**By Member of the Board**

Whereas, the negotiators representing the Superintendent of Schools and the Association of Supervisors and Administrators of Rochester (ASAR) have met and concluded a tentative collective bargaining agreement for the period July 1, 2006 through June 30, 2009; and

Whereas, the Superintendent of Schools and the membership of ASAR have ratified the tentative agreement; now therefore, be it

Resolved, that pursuant to the provisions of Civil Service Law sections 201 and 204-a, the Board of Education approves the tentative agreement including the following economic provisions:

1. ASAR agrees to move to an experience-rated health insurance plan with a sole provider if independent analysis confirms that this will result in savings for the District while maintaining a comparable level of benefits.
2. All unit members who are currently contributing to their District health insurance premiums will continue to make the same contribution through retirement; currently, the contribution would cease upon retirement.
3. All principals and academy directors on the employment rolls as of July 1, 2006 shall move to a twelve month work year, effective July 1, 2006, for which they shall receive a one-time addition to base salary of \$2000 (which amount constitutes the same stipend made available to unit members going to 12 month years, assigned to Central Office under Art. 5, Section 4 of the 2003-2006 collective bargaining agreement).

4. All remaining administrators shall move to a twelve month work year, effective July 1, 2007 or July 1, 2008, as to be determined by the District, for which they shall receive a one-time addition to base salary of \$2000 in the year that they move to the twelve month work year. The Superintendent's expectation is to use the added work time to increase summer month programming for students.
5. Unit members shall receive a salary increase of 3.95% for each year of the three year agreement; provided, however, that for principals only, there shall be an option to elect, in lieu of the 3.95% salary increase, a performance incentive compensation plan with a salary range of 2.5% to 7%, each year of the three year agreement, based on the District's evaluation of whether the principal has met certain measurable objectives during the year. Expansion of this performance program to other ASAR members will be the subject of further study.
6. The Superintendent shall have the authority to recommend merit payments of up to \$15,000, not added to base salary, for administrators or teams of administrators, who in the discretion of the Superintendent have achieved significant gains for the District.
7. A \$1,500 incentive previously available to principals is no longer available.
8. Stipends for athletic directors will be linked to the number of inter-scholastic teams they supervise, rather than to the number of students, and increased in \$1000 increments: up to 19 teams - \$4000; 20 to 39 teams - \$5000; 40+ teams - \$6000. It is expected that this change will help to support an increase in athletic opportunities for students.
9. Stipends for Coordinating Administrators of Special Education are added to account for the difference in special education case loads between schools, ranging from \$750.00 (200 or fewer Individual Education Plans operating in the school to \$2,000 (401 and over IEPs).
10. One additional step is added to existing Principal stipends for school size: 1600+ students - \$4,500.
11. The hourly rate for certificated administrators is increased to \$33 per hour from \$29, to achieve parity with the Rochester Teachers' Association contract.
12. The current incentive for civil service administrators is increased from \$750 to \$1000.
13. Longevity increments for civil service employees, currently given annually, are lumped together and given every five years after ten years of continued service and are increased: At 10 years of service - \$2000 lump sum; 15 years - \$2,500; 20 years - \$3,000; 25 years - \$3,500.
14. Eligibility for the attendance incentive of \$10,000 modified as follows: unit members who retire after completing 15 consecutive years of service in ASAR and have not used more than 15 total sick days in the 5 years immediately preceding retirement (previously no more than 2 sick days each of 12 years out of the last 15).
15. A maximum amount of \$25,000 to be used to make salary adjustments for individual civil service members based upon equity considerations.

Whereas Education Law §§ 2554, 2566 and 2573 authorize the Board of Education to designate titles or classes of employees who shall be appointed directly by the Superintendent of Schools, within the amounts budgeted for such positions; which titles are currently identified as the “Superintendent’s Employee Group” and are governed by Rules and Regulations adopted by the Board of Education under Resolution 2003-2004: 63; and

Whereas, the Board of Education, which has by resolution from time to time (most recently by Resolution 2004-2005: 804 on May 19, 2005) added and deleted titles from the list of employees subject to direct appointment by the Superintendent of Schools, and has determined to promulgate a single, unified list of such titles, congruent with the central organization chart developed by the Superintendent; and

Whereas, the Superintendent has proposed to redefine certain duties and responsibilities within the District organization, and the Board has accepted those recommendations; it is therefore,

Establishment of Interim Advisory Audit Committee

Whereas new State legislation, more specifically Education Law Section 2116-C, [see L. 2005, Ch. 263 § 7] requires the creation of an audit committee to perform certain duties specified by the statute and the Board wishes to meet the statutory deadline while it deliberates the form and functions of a permanent committee;

Resolved, that the Board of Education hereby establishes a committee to be known as the Advisory Audit Committee, to consist of three (3) members, each of whom shall be a member of the Board of Education, to be appointed by the President of the Board, at or promptly after the January 3, 2006 annual organizational meeting, consistent with the Board By-Laws governing the appointment of committee members; and it is

Further resolved, that until such time as the Board of Education establishes a permanent committee by further Resolution, the Advisory Audit Committee shall have all of the duties prescribed by Education Law § 2116-C, as adopted or as it may be amended from time to time, and as amplified by Regulations of the Commissioner of Education; provided, however, that recommendations of the Advisory Audit Committee, including any minority reports are advisory by operation of law and, therefore, shall not be deemed to have been accepted by the Board of Education until reviewed and approved at a Business Meeting or Special Meeting of the Board.
