Resolution No 2004-05: 93

By Member of the Board Porter

Whereas Education Law §§ 2554, 2566 and 2573 authorize the Board of Education to designate titles or classes of employees who shall be appointed directly by the Superintendent of Schools, within the amounts budgeted for such positions; which titles are currently identified as the "Superintendent's Employee Group" and are governed by Rules and Regulations adopted by the Board of Education under Resolution 2003-2004:63; and

Whereas, the Board of Education, which has by resolution from time to time (most recently by Resolution 2003-2004:571 on January 20, 2004) added and deleted titles from the list of employees subject to direct appointment by the Superintendent of Schools, and has

determined to promulgate a single, unified list of such titles, congruent with the central organization chart developed by the Superintendent; and

Whereas, the Superintendent has proposed to combine the functions of the existing Divisions of Accountability and Academic Services, including grants, between the Department of Planning and a new Division of Program Development and Management with a single division head, the Chief Program Officer; and to redesignate the Special Assistant to the Superintendent as Chief of Staff, with both redefined and expanded responsibilities; it is, therefore,

RESOLVED, that the list of titles attached hereto and incorporated herein as "Exhibit A" shall, effective immediately, constitute the list of titles into which, within the amounts budgeted for such positions, the Superintendent of Schools shall be authorized to make or continue direct appointments, in his discretion. The list of authorized positions attached hereto shall be subject to review and modification by the Board of Education, in its discretion; and expressly supercedes designations appearing in any resolution of this Board prior to this enactment.
