SCIENCE TEXTBOOK ADOPTION GRADES K-8

By Member of the Board Cook

Whereas, the Rochester Board of Education is committed to the goal of student achievement; and

Whereas, the Rochester City School District is committed to the alignment of national, state and local standards for Science; and

Whereas, the Rochester City School District has drafted and disseminated Science curriculum that is aligned to the New York State Regents curricular guidelines for Science; and

Whereas, the current textbooks at grades K-8 were adopted prior to the implementation of the New York State Learning Standards for Science and do not reflect current initiatives and research related to Science curriculum, standards, instruction and assessment; and

Whereas, the scope and sequence for students in grades K-8 will serve as the foundation for improving the scores on the grade 4 ESPET and the NYS Intermediate Science Assessment; and

Whereas, the committee of teachers, administrators, and parents convened for the purpose of making a textbook recommendation and have conducted a thorough research of available resources, based on specific criteria and determined that the following textbooks and materials will meet the instructional needs of our students: **Scott Foresman: Science for K-6; Glencoe/McGraw-Hill: Animal Diversity, Human Body Systems, Earth Materials and Processes, The Changing Surface of Earth, and Motion, Forces, and Energy for grade 7; and, Life's Structure and Function, Ecology, The Air Around You, The Nature of Matter, and Chemistry for grade 8;**

Whereas, these findings were presented to the Board of Education through the Quality Assurance Committee; therefore it be

Resolved, that, upon the recommendation of the Superintendent of Schools, the above referenced **Scott Foresman and Glencoe/McGraw-Hill** textbooks be, and hereby are approved for use in grades K-8; in the Rochester City School District, effective September 2002.
