WHEREAS, the State Legislature enacted the City of Rochester and the Board of Education of the City School District of the City of Rochester School Facilities Modernization Program Act, Chapter 416 of the Laws of 2007 of the State of New York (“the Act”), in order to provide the City of Rochester (“City”) and the Rochester City School District (“District”) with increased flexibility to meet the needs the District’s school children by providing alternative financing mechanisms for the reconstruction of up to thirteen school buildings in the District; and

WHEREAS, the Act created the Rochester Joint Schools Construction Board (“RJSCB”); and designates the RJSCB as agent for the City, the District, or both; and

WHEREAS, the Act authorized the RJSCB to enter into a cooperative agreement with the City and the District to carry out the purposes of the Act, and the Rochester School Facilities Modernization Program (“FMP”); and

WHEREAS, by Resolution No. 2009-10: 510, adopted on January 7, 2010, the Board authorized the Superintendent and the President of the Board of Education to execute the Cooperative Agreement, by and among the City, the District and the RJSCB; and

WHEREAS, on February 22, 2010, the District entered into the Cooperative Agreement in order to clarify, among other things, the agency arrangement and the delegation of authority between the City and the District, on the one hand, and the RJSCB, on the other, as well as their respective obligations and expectations to achieve the purposes of the Act; and

WHEREAS, Paragraph 5 of the Cooperative Agreement defines a “local share” as a cost that is not reimbursed out of New York State building aid or other State aid specially designed for such purpose, or contractually payable by a party other than the District; and

WHEREAS, Paragraph 5 of the Cooperative Agreement stipulates that under no circumstances shall the RJSCB undertake any FMP project with a local share without the express written approval of the District; and

WHEREAS, the Cooperative Agreement provides that the RJSCB and the District will identify jointly other private and public sources of funding FMP projects; and

WHEREAS, the Cooperative Agreement provides that the RJSCB shall use any available private sources before seeking financial contributions from the District for local share; and

WHEREAS, the exact amount of annual debt service payments may vary depending upon actual terms of repayment and interest rates; and

WHEREAS, the District intends to use EXCEL aid currently available to the District in the approximate amount of \$16,332,125 to reduce the local share required for funding FMP

WHEREAS, the City, the RJSCB and the District have consulted and determined that the local share obligation for Phase I of the project is expected to range from Thirty Four Million One Hundred Thousand Dollars (\$34,100,000) to Thirty Nine Million Seven Hundred Thousand Dollars (\$39,700,000), including interest charges; therefore be it

RESOLVED, that the Board authorizes the District to pay a local share for Phase I of the Rochester School Facilities Modernization Program in an aggregate amount not to exceed Thirty Nine Million Seven Hundred Thousand Dollars (\$39,700,000).
