Description: Expanded Learning Time
Justification:

The expanded learning program includes four core experiences for all students in grades K-8: 1) academic intervention/acceleration, 2) engaging enrichment opportunities, 3) school-wide morning meeting and 4) service learning projects. Teachers will differentiate academic support including intervention and acceleration embedded within the longer learning day as part of School 17’s WIN (What I Need Time) throughout the school year. Additionally, teachers will provide enrichment opportunities to enhance core learning beyond the traditional scope. They will also support school-wide morning meetings and service learning projects to promote positive school climate, restorative practices, and civic literacy as part of the community school model. Hours vary by teacher depending on student needs and different offerings within each component listed above.

*Note: The names of specific teachers that will be assigned have not been determined and the deadline for submitting Resolutions precludes identification of assigned teachers before the 8/25/16 packet is finalized.

Division Chief: Christiana Otuwa
Principal/Director: Kelly Bauman
Spending: \$1,320.
Funding: Expanded Learning Grant
Budget Code: 5152-E-75516-2070-0413
Description: Facilitate Training on Future Cities Enrichment Competition

Justification: The future city competition is a collaboration with the City of Rochester. Teams will receive mentors from local architectural and engineering firms and will be judged in the winter on their designs by the Mayor. Future Cities is a national project-based learning program where students in 6th, 7th and 8th grades imagine, research, design and build cities of the future. Keeping the engineering and design process and project management front and center, students work in teams to ask and answer authentic, real-world question: How can we make the world a better place? Facilitators will deliver training on the curriculum used for teams participating in the competition.
