Emergency Medical Responder Employability Profile

Student:	Student ID:	Date:
-----------------	--------------------	--------------

Evaluation Grading Scale

Unsatisfactory (1)	Needs Improvement (2)	Meets Expectations (3)	Exceeds Expectations (4)
Does not demonstrate the skills required for the position and is in need of a formal plan for improving skills. Additional training needed.	Inconsistently demonstrates the skill needed for the position. Further development is needed.	Demonstrates the skills for the position with rare exceptions. Shows initiative for improving skills.	Consistently demonstrates skills required for the position. Often exceeds expectations and has emerged as a leader of the team.

	Performance Expectations/Skills (The Proficient EMR Student will)	NA	1	2	3	4
1	Demonstrate employability skills that will help them get a job and meet employer's professional expectations.					
2	Demonstrate academic knowledge and skills that meet postsecondary requirements.					
3	Consistently demonstrate safe practices and healthy relationships.					
4	Properly select, use, store, and maintain all tools and equipment.					
5	Effectively read a variety of materials and communicate in a variety of situations.					
6	Accurately solve mathematical calculations, and apply geometric concepts, in context.					
7	Accurately measure within industry-standard tolerances.					
8	Demonstrate grit. Persevere through challenges and not give up.					
9	Perform a "size-up" of the scene to determine if the scene is safe.					
10	Describe the importance of communication and documentation for EMR's.					
11	Describe the roles and responsibilities of an EMR.					
12	Complete basic first aid procedures.					
13	Identify the anatomical features of the body and describe their function.					
14	Manage an airway and identify airway obstructions and abnormalities.					
15	Assess an injured or sick patient and administer medical care.					
16	Perform emergency moves and assist other EMS providers to safely remove a patient.					

	Performance Expectations/Skills (The Proficient EMS Student will)	NA	1	2	3	4
17	Perform cardiopulmonary resuscitation (CPR) including AED use.					
18	Identify the ethical responsibilities of an EMR.					
19	Manage a call and work with paramedics with patient care.					
20	Complete four multi-stage levels of the aerobic endurance test and the muscular fitness test.					
21	Based on your knowledge of this student, how would you rate his/her overall performance?
