Shout outs	2	Welcome Presler to SBPT!!! -Doohan summarized responsibilities of SBPT committee for her Thanks to all who showed up for the Summer Retreat Thanks also to those who came to the Community Event and to T. Dade for coming
Instructional Leadership Team (ILT)	5	Question was raised whether the ILT contradicts/causes a discrepancy with/conflict of interest with the SBPT responsibilities ILT will be the Building Principal meeting with a group of people from each grade level and bringing information to SBPT (similar to what the coached did last year) ILT will: -inform grade level teams -meet once a month -have grade level reps (could be consistent or rotate) -should have a pacing chart and sunset clause
Data Wise PLC	5	Needs to be written up and presented at next SBPT for approval when we have a full constituency.
Sped PLC	1	Passero is going to seek further clarification before presenting. There are too many questions right now about intent and content.
