How to handle the paperwork. Our table could have talked about this for another 10 minutes. I could have used more time to choose a book group given the fact that my two top choices were quickly filled up and i ended up in a group that isn't appropriate since I've already discussed this book in a previous year.	9/26/2019 11:41 AM
25	More time to collaborate with colleagues in my discipline.	9/26/2019 11:38 AM

63	Keeping the professional atmosphere and modeling of important teaching strategies.	9/24/2019 9:12 AM

80	I know why dinner was held until 6 pm but I'm at an early school and eat an early lunch. By the time dinner came around, I was starving. It would be helpful to either put out in the agenda what time dinner would be, or move dinner to the middle of the agenda. It's a small thing, but hard to concentrate when you are super hungry.	9/24/2019 7:26 AM
81	More collaborative discussions about specific strategies that are effective in the classroom.	9/24/2019 7:09 AM
82	This is really nitpicky but the people at the table next to us were having their own conversations the whole time. So rude and annoying, makes it hard to hear!	9/24/2019 7:08 AM
83	I felt that the only part of the forum that did not add to a motivating and positive start to the school year was our guest speaker. I certainly did not feel that this was counter to it. I just felt that it didn't tie in as nicely together as the rest of the forum. It felt like things got off track and I started to have a hard time focusing.	9/24/2019 6:59 AM

1	It was a good first meeting	9/30/2019 11:39 AM
2	NA	9/29/2019 10:46 AM
3	I appreciated the opportunity to hear Dr. Cecilia Golden. She was inspiring and brought us back to the core of our purpose.	9/28/2019 11:59 AM
4	Having the opportunity to give information and advice to the new Mentors was awesome. Having helpful tools from colleagues early was a valuable activity.	9/27/2019 11:26 AM
5	All went well.	9/27/2019 7:37 AM
6	I truly enjoyed listening to Dr. Golden's presentation and feel that more teachers in our district would benefit from it. It was encouraging, yet provocative. I for one, have been challenged afresh with my students - they deserve the best and I will certainly do my greatest effort to deliver it.	9/26/2019 9:53 PM
7	I was unhappy that the session I wanted to join filled up so quickly. Many of the others were topics I'm already familiar with.	9/26/2019 6:03 PM
8	While it was good to put a face to a name and create a unified vision for our district by hearing Cecilia Golden speak, many of her comments were too general to truly mean anything for our practice. In fact, some of her comments seemed somewhat detached from the reality of teaching in today's classroom.	9/26/2019 3:12 PM
9	I'm looking forward to the PD sessions	9/26/2019 2:22 PM
10	I particularly liked sharing advice with new colleagues. It was a good refresher for this year.	9/26/2019 11:53 AM
11	I felt like Dr Golden's presentation was valuable but she took way too much of our time with it. I got 'stuck' with a book I don't want to discuss because it was one of the few left after the 'good ones' were taken. :(9/26/2019 11:44 AM
12	Bring in more guests from CO. Mentors are now informed of some district goals for the year. ELA and Math percentage increases on state tests, graduation goals, reduction in suspensions....etc. Where would we see and hear this if we weren't a mentor? How will the district share this district wide. What other district initiatives are out there that we know little about? CO need to connect with more teachers. I believe many assumptions are made that teachers are informed by principals or content area directors about certain initiatives. Don't assume. Most often we are not. Who else can come to our mentor forums and present about their departments, systems, initiatives?	9/26/2019 11:08 AM
13	We did not have a new intern seated at our table, so we did not share our wisdom. We met some new people though. :)	9/26/2019 10:55 AM
14	While I was able to make a choice, from a social emotional perspective, there wasn't anything completely relevant to my work that I haven't already explored in the past as a mentor, such as the Culturally Responsive Teaching" book.	9/26/2019 10:13 AM
15	My N/A was due to the fact I missed it. The CIT professional Learning Offerings are great opportunities too!	9/26/2019 9:45 AM
16	Love, love, love the PD sessions for this year!!!!	9/26/2019 9:20 AM
17	Some of the topics filled up quickly and I would have really like to join those. I was left to select something that my school is already focusing on, unfortunately.	9/26/2019 9:11 AM
18	.	9/26/2019 9:08 AM
19	Dr. Golden's beginning of the message was fine. However, as she continued it seemed to get more negative and there were several inferences that teachers were the problem in our district. Didn't leave with a good vibe.	9/26/2019 9:05 AM
20	I really enjoyed the whole forum.	9/25/2019 4:09 PM
21	Little offerings that were specific to specialized services and those that were filled up before they could be joined leaving me to take something I have already done.	9/25/2019 10:28 AM
22	I was great to hear about the PD offerings from the CIT department. The choices for the breakout sessions offered a wide variety to choose from.	9/25/2019 9:51 AM
23	I loved the mentor forum PD topics and could have chosen several and have been happy.	9/25/2019 6:40 AM
24	I loved Dr. Golden's presentation! Great to have her join us.	9/24/2019 2:54 PM
25	Dr. Golden's energy and enthusiasm are contagious! I appreciated being able to share some experiences with mentors both new and experienced.	9/24/2019 1:43 PM

26	All sessions were well received. The time spent with my intern will increase and the sharing of knowledge continues to grow and support students.	9/24/2019 11:52 AM
27	* The sharing of wisdom was ideal and we all had wonderful things to share but we didn't have anyone knew at our table. * I like that Dr. Gordon had time to come in and share her knowledge about the Framework and her passion personally about working with students. I liked the choices offered for PD but the choices i wanted were pretty filled up quickly.	9/24/2019 11:23 AM
28	The meeting was too long, but it really doesn't have to be. The book choices were not what I was hoping for. I have already done lots of PD related to most of the topics.	9/24/2019 10:25 AM
29	None	9/24/2019 10:14 AM
30	It seems like a lot of time to spend talking about something we received via email already.	9/24/2019 9:12 AM
31	Name tag activity was great, but we had mostly veteran mentors at our table until the activity was over.	9/24/2019 8:57 AM
32	I liked the share out of why note taking was important. It reminded me of very important things like - third point.	9/24/2019 8:50 AM
33	Because I just attended new mentor training some of the information was repetitive for me, but I see the importance of presenting it to everyone and a refresher is always good. The CIT professional learning offerings were all teacher focused and really none seemed like something appropriate for myself or my intern (service providers) so that time wasn't particularly useful to me, but I've already worked on setting up some professional development for my intern and I to attend together that is more relevant to our work.	9/24/2019 8:15 AM
34	We as a district have a lot of work getting everyone on the same page or at least same chapter. It was interesting to hear some of the Teaching and Learning initiatives but with no follow up in schools to define support or offer guidance on how.... I am hopeful but we must all speak the same language....	9/24/2019 8:08 AM
35	I'm looking forward to starting my work on the mentoring forum PD sessions	9/24/2019 8:07 AM
36	i am looking forward to working with my colleague on quality questioning as it is one of the tenets of our school instructional strategies	9/24/2019 8:01 AM
37	"The Truth's" PD Session on management should be offered again if possible. It filled up fast with a list of others that would like to attend. It was nice to meet Dr. Golden but I feel that her presentation was a repeat of what was shared on Super's Day. Maybe more of a quick review and a Q&A would've been more interactive and beneficial.	9/24/2019 7:44 AM
38	I enjoy the Mentor Forums because information is always shared about any updates and/or changes about the program. Its very helpful when Stefan reviews the website and changes that are listed. I feel like I grow into a better professional every time I attend a forum. Sitting with talented colleagues helps to reinforce my passion and zeal for my profession.	9/24/2019 7:36 AM
39	I think the pd sessions in the up coming forums are going to be very productive	9/24/2019 7:35 AM
40	I had a great time. Good company, great info, and that buffet!!!!	9/24/2019 6:47 AM
41	having a district person further connects us to the work and bridges the disconnect we sometimes feel.	9/24/2019 6:26 AM
42	Like that we had a choice for the first time in a while. Wish I had know that there was a 25 person limit for each group. I wouldn't have been so polite. Am now signed up to do something I have done before. Not enough variety for experienced mentors at high school level. We already have done most of the training/books.	9/24/2019 6:22 AM
43	I did not attend because I do not know if I have been re-hired as a mentor for this school year.	9/24/2019 6:20 AM
44	Great to hear from Dr. Golden - and dinner was delicious! Thanks you!	9/24/2019 5:49 AM
45	Excellent	9/24/2019 4:51 AM
46	Super excited about the new format for the PD sessions in the upcoming mentor forum!!	9/23/2019 11:03 PM
47	Dr. Golden's portion felt rushed. The PD sessions got filled to fast.	9/23/2019 9:14 PM

3	precise, clear and simple	9/29/2019 10:47 AM
4	My panel contact said we are here because we are the best of Rochester teachers and gave us his phone number and contact. Other than those comments, he did not provide any reference to his role or to how we would arrange observations.	9/28/2019 12:01 PM
5	I appreciate Mr. Cohen's ability to help us feel welcome and part of a crucial team.	9/26/2019 9:58 PM
6	I'm glad to be working with Sharon again.	9/26/2019 6:04 PM
7	Again, while it was nice to put a face to a name, I don't feel that meeting my CIT panel contact is essential to my work as a mentor.	9/26/2019 3:13 PM
8	Michael Chan was not able to attend the forum.	9/26/2019 12:20 PM
9	My panel contact introduced herself but did not ask each of us to introduce ourselves. She sat at the other table so if she provided information about her role, observations, etc. the second table was not aware.	9/26/2019 11:11 AM
10	I haven't been activated yet so perhaps that is why we didn't discuss arranging panel observations in detail.	9/26/2019 11:02 AM

21	He seemed very nice and excited to be working with all of us this year!	9/25/2019 9:59 AM
22	Ms. Ladd is wonderful! She is so open and straight forward	9/24/2019 2:54 PM

24	Mr. Peluso is very professional -- he knows his job and wants us to be up-to-date on everything	9/24/2019 1:44 PM
25	Looking forward to working with Martha!	9/24/2019 10:16 AM
26	I think it may be Stefan based on the sign in sheet, but there was someone else that sat with us last night. I am unsure of her name and I didn't hear her say anything about any of the above, which makes filling out part 7 difficult.	9/24/2019 10:05 AM
27	I am not sure she had two tables of people so she did not come to ours. I believe most of us have already worked with her anyway.	9/24/2019 9:15 AM
28	I am excited to work with a panel contact that is invested in the process.	9/24/2019 8:59 AM

30	It was nice to meet with my panel contact early in the school year.	9/24/2019 8:51 AM
31	again, this part was slightly repetitive since we also covered it at new mentor training	9/24/2019 8:16 AM
32	What a great guy!	9/24/2019 8:11 AM
33	too early to evaluate how valuable my contact will be to my work as a mentor but i am looking forward to working with him	9/24/2019 8:03 AM
34	AnnaMarie presented the information as Chan was unable to attend	9/24/2019 7:48 AM
35	My CIT Governing Panel Contact sat at a different table. After waiting for our turn for her to come over and meet with our table, the panel contact left the table she was at and left the dinner. I don't know if she knew that she had other mentors to meet with? Maybe she didn't realize that she had more than one table?	9/24/2019 7:02 AM
36	Very pleasant.	9/24/2019 6:47 AM
37	I am nervous about the year as a mentor but feel very supported	9/24/2019 6:27 AM

41	I thought she was coming to table 14 but never did. I emailed her. She only met with table 13.	9/23/2019 9:16 PM
42	My panel contact was very informal at the forum today. She indicated that she would be emailing to meet with individual people and/ or groups in order to outline what to expect this year and to schedule observations. She wanted the chance to meet people today!	9/23/2019 9:16 PM
