the child to build routine.
- Attendance in school also will
also insure achieving good
grades

PARENT/CAREGIVER VOLUNTEERS

See the message below from the
district Volunteer Coordinator
about helping in schools:

All in-person volunteers need to
be vaccinated and must show
proof of vaccination before
volunteering in the Rochester City
School District. Please see the
linked presentation for more info.
If you have any questions after
reviewing the document, please
feel free to reach out to me, Ricky
Frazier at (585) 262-8489. Our
hope is that this new process will
help ensure that volunteers can
continue doing the great work

CHROMEBOOKS

Families, after this week of
remote learning, we have all been
reminded of how important
Chromebooks are for educational
access.

Please remind your child to bring
their Chromebook to school **EVERY
DAY**. They need it for their classes.

If your child has not ever received a
Chromebook, they must talk to Ms.
Dunne. Likewise, if they have an old
Chromebook, a broken device, need a
charger, or a Mifi, they likewise need
to see Ms. Dunne.

Ms. Dunne is typically in the cafeteria
during lunches to connect with
students and take care of technology
needs. Students need to take the
initiative during lunch and advocate
for themselves so we can get them
connected.

A low-angle, backlit photograph of a person mountain biking against a clear blue sky at sunset. The person is wearing a black long-sleeved shirt, a black helmet, and light-colored pants. The bike is a full-suspension mountain bike with a large front wheel and a smaller rear wheel. The person is in a dynamic, forward-leaning position, suggesting they are in the middle of a ride. The sun is low on the horizon, creating a strong backlight effect that silhouettes the person and the bike, while highlighting the edges of their clothing and the bike's frame. The overall mood is adventurous and energetic.
