

# January

We hope you all have had a relaxing break and a wonderful holiday break. We're very excited to enter 2021 healthy, safe, and with a positive outlook for the future.

As we journey forward with our remote / and hybrid learning models, we will continue to support our students in achieving academic success. Our parents play a vitally important role in the success of students as you continue to partner with us in their learning. There will be changes, challenges, and/ or adjustments in the coming days but we will tackle it together!
