**Hot Topics/Current Issues \***

Progress Tracker have been presented last week. Grade level teams have flexibility to change the Progress Tracker. Standards are not loaded in PowerSchool and it seems that it is not an option on Power School at this time. The 3rd grade team changed Progress Reports in 2nd quarter. 4th grade will discuss at next grade level meeting. The next meeting to discuss reviewing LLC will take place on 3/25/21. Then we will get staff feedback by 4/8/21. Then SBPT will vote on 4/15/21. We were able to accommodate quite a few students in the waiting list. At several grade levels students were not able to be accommodated. Special education students are given priority on wait lists.
