

Franklin Upper School | 2021-22 Profile

Location and Description

The Rochester City School District (RCSD) is one of the largest urban districts in New York State and is located in Rochester, New York. Rochester City School District serves a diverse population of students in grades PreK -12 at 55 Pre-K sites, 46 elementary and secondary schools, and 10 alternative programs. There are 26, 078 students enrolled in the district. The demographics are as followed: Black or African American - 53.1%, Hispanic - 32.7%, White -9.6%, Asian -2.9%, and Other - 1.7%.

Mission: To foster students' individual talents and abilities in a nurturing environment of equity.

Vision: The Rochester City School District's vision is to ensure all students have equitable access to high-quality education and graduate each student as a productive member of society.

School Mission

In a partnership of family, school, and community, our mission is to provide all students equitable access to a high quality education and graduate students who are prepared to become productive members of society. We are committed to supporting cultural and linguistic diversity, deep student engagement, and the pursuit of lifelong learning.

Franklin Upper was established in September 2020, however, our campus has been a part of Rochester, NY for over 100 years! With a 23-acre campus, for 30 years from 1930, Franklin was the largest high school east of the Mississippi. It has 500 rooms, a mile of corridors, a massive refurbished theater and a gym which holds 2,400 people. A total of two million bricks were used to build it.

Average SAT Scores

	RCSD	State
Reading & Writing	467	528
Mathematics	451	523
Cumulative	917	1052

Course Descriptions

Social Studies:

Social Studies education is required for all students every year of their school careers from Kindergarten through grade twelve. In the early grades, students explore their own families, communities, and the communities of others as they build their historical thinking skills. As the years progress, students conduct more in-depth investigations of peoples in the United States and the rest of the world in order to develop a better understanding of the core areas of social studies: government, economics, geography, and history. Ultimately, it is the goal of the social studies program to help students develop the critical skills needed to be active citizens in our community, our country, and our world.

English

English I – English IV
Four units of English and the English Regents are required for high school students to graduate in New York State. Our program is designed to foster the reading, writing, listening, speaking, language, and critical thinking skills necessary to be college and career ready. Students will be required to read, analyze and synthesize across literary and informational texts, write for multiple audiences, tasks, and purposes, listen and speak in collaborative discussions with their peers, and demonstrate a solid command of the English language. English classes are selected with students according to reading and writing skill level, as determined by state assessments, student performance and student interest. Students who demonstrate a need for additional assistance with English skills will receive these services through supplemental instruction. All students are required by New York State to take the Common Core English Regents Examination; a student must pass this

exam in order to earn a diploma in New York State. Eligible students may take the exam in other grade levels.

Science

Science offerings for the secondary level include the following: Living Environment, Physical Setting/Earth Science, Physical Setting/ Chemistry, Physical Setting/ Physics, General Chemistry, Environmental science and Anatomy & Physiology.
