

Leadership Academy for Young Men | 2021-22 Profile

Location and Description

The Rochester City School District (RCSD) is one of the largest urban districts in New York State and is located in Rochester, New York. Rochester City School District serves a diverse population of students in grades PreK -12 at 55 Pre-K sites, 46 elementary and secondary schools, and 10 alternative programs. There are 26, 078 students enrolled in the district. The demographics are as followed: Black or African American - 53.1%, Hispanic - 32.7%, White -9.6%, Asian -2.9%, and Other - 1.7%.

Mission: To foster students' individual talents and abilities in a nurturing environment of equity.

Vision: The Rochester City School District's vision is to ensure all students have equitable access to high-quality education and graduate each student as a productive member of society.

Community

Leadership is an all-male environment that focuses on the learning styles and social/emotional needs of young men, and the only public all-male school in New York State. Leadership Academy for Young Men is a part of the Rochester City School District located in the city of Rochester, New York. The district consists of 36 elementary schools and 13 high schools. The student population in our building is 63.7% African American, 25.8% Hispanic, 9.4% white, and 0.5% Asian. All of our students qualify free or reduced lunch.

School

Leadership Academy is a comprehensive high school that serves students in grades 7-12. The school opened in 2011 and graduated its first senior class June 2015. We foster good citizenship through our five prides (Loyalty, Courage, Integrity, Respect, and Accountability). Leadership offers leadership-training experience such as Junior Reserve Officer Training Corps (JROTC), which is available to all students who elect to participate. Our program focuses on building character and leadership skills, positive values, and the personal responsibility associated with being a contributing member of the larger community.

Grade Point Average (GPA) Calculation

GPA computation starting in grade 9. All Classes, passed or failed, are included in the computation. A student must pass a minimum of 22 credits (4 English, 4 Social Studies, 3 Science, 3 Math, 2 Physical Education, 1 Foreign Language, 1 Fine Arts, 0.5 Health, 3.5 Elective) and successfully complete one of the New York State exam pathways to graduate.

Curriculum Information

The academic program is yearlong consisting of 7 periods. Students take seven 50-minute classes per year. Leadership Academy offers honors classes at the middle school level and high school level. 8th grade students have the opportunity to earn 4.5 credits (Spanish I, Living Environment, Global I, and Studio Art). We offer four AP classes taught in the classroom setting: AP Environmental, AP US History, AP Literature and Composition, and AP Statistics. Starting in 2019-20 school year, students may take up to two of the five offered AP courses through the Rochester City School District's Virtual Assisted Learning program. Honors classes include English I, English II, Global I, and Global II. Leadership offers American Sign Language and Spanish.

SAT Assessment information is not available due to COVID-19.

Average SAT Scores

	RCSD	State
Reading & Writing	467	528
Mathematics	451	523
Cumulative	917	1052

Course Descriptions

Social Studies:

Social Studies education is required for all students every year of their school careers from Kindergarten through grade twelve. In the early grades, students explore their own families, communities, and the communities of others as they build their historical thinking skills. As the years progress, students conduct more in-depth investigations of peoples in the United States and the rest of the world in order to develop a better understanding of the core areas of social studies: government, economics, geography, and history. Ultimately, it is the goal of the social studies program to help students develop the critical skills needed to be active citizens in our community, our country, and our world.

English

English I – English IV
Four units of English and the English Regents are required for high school students to graduate in New York State. Our program is designed to foster the reading, writing, listening, speaking, language, and critical thinking skills necessary to be college and career ready. Students will be required to read, analyze and synthesize across literary and informational texts, write for multiple audiences, tasks, and purposes, listen and speak in collaborative discussions with their peers, and demonstrate a solid command of the English language. English classes are selected with students according to reading and writing skill level, as determined by state assessments, student performance and student interest. Students who demonstrate a need for additional assistance with English skills will receive these services through supplemental instruction. All students are required by New York State to take the Common Core English Regents Examination; a student must pass this

exam in order to earn a diploma in New York State. Eligible students may take the exam in other grade levels.

Science

Science offerings for the secondary level include the following: Living Environment, Physical Setting/Earth Science, Physical Setting/ Chemistry, Physical Setting/ Physics, General Chemistry, Environmental science and Anatomy & Physiology.
