

Welcome to 5th Grade

- Mrs. Simbari -

2022-2023

I am excited to work with you and your child this 2022-2023 academic school year. Some of the content that we will be working on includes: personal narratives and opinion writing pieces, fractions, decimals, multi-step word problems, exploration, expansion, and industrialization of our nation, life, physical, and earth sciences. It will be a year filled with new learning, new experiences, and new friendships.
