## PRIMARY - PREK 3 & 4

Our 3 & 4 year old artists had fun creating Pumpkin Patch collages after their field trip to Wickham Farm. They used lines to draw a pumpkin, and discovered orange when mixing yellow & red. They “painted” with a textured sponge, and added faces. Next these artists created a starry background and a fence for their pumpkins to sit.

## MIDDLE EL - GRADE 3

Third grade artists learned about “Lady Liberty” and how she came to America as a gift to commemorate our Independence by French sculptor Frederic Bartholdi. They drew the Statue of Liberty, a NY cityscape, and NY Harbor complete with boats.

## LOWER EL - GRADE 1

First grade artists have been diligently working on creating a fabulous collage based on the story The Princess and the Pea by Rachel Isadora. This artwork involved learning about portraiture, using oil pastels, making painted paper...then putting it all together!

## UPPER EL - GRADE 5

Fifth graders enjoyed printmaking projects for the Fall season, complete with a collection of leaves and other interesting gadgets. They are currently working on Autumn landscapes using a combination of oil pastels and paint.
