WHEREAS, on March 7, 2020, the Governor of the State of New York issued Executive Order Number 202, declaring a State disaster emergency for the entire State of New York.

WHEREAS, on March 16, 2020, by Executive Order 202.4, the Governor of the State of New York closed all New York Schools for a period of two weeks; and

WHEREAS, on April 1, 2020, the Governor of the State of New York extended the school closure ordered by an additional two weeks, ending April 1, 2020;

WHEREAS, on April 17, 2020, the Governor of the State of New York extended the Executive Order closing all New York School until April 29, 2020; and

WHEREAS, due to Executive Order 202, all Rochester City Schools have been closed and are expected to remain closed for the foreseeable future; and

WHEREAS, because of the school closures, there are vendors (who have contracts with the Rochester City School District) who are being paid for services which they are not rendering because Rochester City Schools are closed; and

WHEREAS, because of the school closures, there may be vendors whose invoices are not presently due, but because of the uncertainty, those vendors may be expecting payment in the future because the Rochester City School District has not clearly communicated that payment was not warranted under the present circumstances; and

WHEREAS, Article 8, Section 1 of the New York State Constitution prohibits municipalities like, the Rochester City School District, from giving gifts, loans, or credit to individuals, private corporations, or associations; and

WHEREAS, paying vendors for services, which they are not currently rendering, could rationally and reasonably be construed as an unlawful gift or an extension of credit; and WHEREAS, unanticipated shortfalls in New York State aid, has caused the Rochester City School District to experience an unprecedented fiscal crisis and has made the paying these vendors (who are not performing on their contracts) not only, potentially, illegal but impractical as well;

NOW, THEREFORE, be it resolved that for reasons stated above, Superintendent Dade is directed to do the following:
1. Identify, by May 1, 2020, any and all Rochester City School District contracts and agreements for which the vendors are not performing due to Executive Order 202.4.

2. Identify, by May 1, 2020, those contracts which it is believed that the Rochester City School Districts is legally or contractually obligated to pay even though there has been no performance as a result of Executive Order 202.4.

3. Communicate, no later than May 1, 2020, to affected vendors that the Rochester City School District is assessing each of their contracts individually for whether payment is appropriate or not.

4. Report, no later than May 15, 2020, to the Board of Education with respect to: (i) which contracts the administration believes the Rochester City School District should not pay; (ii) what the savings, if any, the Rochester City School District will experience as a result of the District’s refusal to pay on those contracts for which there has been no performance.

- Provide orientation and emergency medical care to Participants and instructors who may become ill or injured while assigned to clinical practice at JSL; and

Whereas, the estimated value of the proposed donation exceeds $1,499.99, and therefore, pursuant to requirements of the Board of Education’s Gifts From The Public Policy 1810, approval by the Board of Education is a prerequisite to acceptance of the proposed donation; and

Whereas, in support of the proposed Initiative, the District would assume responsibility, within the funding constraints of the OACES budget, and consistent with requirements of District Policy, procedures and protocol, to provide the following at no cost to JSL or students:
• Assume responsibility for planning and execution of the educational program in nursing; and

• Provide instructors for teaching and supervision of Participants assigned to the Initiative; and

• Assure that each Participant has had a physical examination within the last year and is in good health; and

Whereas, the District is indeed grateful for the ongoing concern and collaboration in support of students, their families and the community; therefore be it

Resolved, that the Board hereby acknowledges and accepts the aforementioned donation; and be it further

Resolved, that the Superintendent, or designee, be, and hereby is, authorized to enter into a Memorandum of Agreement with JSL, to proceed with the Initiative, for the period July 1, 2020, or as soon thereafter as the Agreement is fully executed, through June 30, 2022, contingent upon the form and terms of the Agreement being approved by Counsel to the District.
